

Thomas Christensen, Professor of Politics and International Affairs at Princeton University, speaks on "Crafting a China Strategy: Some Recent Lessons for the New Administration" on January 28, 2009.

Sean Kay (left), Mershon Center associate and Director of the International Studies Program at Ohio Wesleyan University, stands with Thomas Christensen, Director of the Princeton-Harvard China and the World Program at Princeton University. Kay was instrumental in bringing Christensen to speak at both Ohio State University and Ohio Wesleyan.
